

The Mint of the United States,

AT

Philadelphia, Nov. 3, 1885.

To The Superintendent:

We are getting
in a corner for room to store Silver
Dollars.

Would it not be well to telegraph
Director for permission to deposit
"profits on Silver Coinage" with Asst.
Treasurer U. S.? Or, we might get
Transfer Orders, and in that way, send
our output of dollars down to the
Assistant Treasurer's vaults for a few
days to come, or until the Post Office
Vaults shall be in readiness.

The plethora of our vaults is beyond description. I saw pack the north
 West (No. 14.) flush with the door, but
 it is not good policy to do that.
 The piles in West No. 6 can be raised
 two or three bags higher, at great trouble
 however, but if you cannot get permission
 to deposit, or transfer the cut to the
 Treasury, that will have to be done.

Very Respectfully
 Wm. B. B.
